

## Acadience Math Errata List

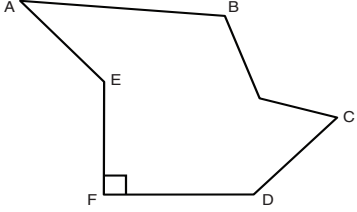

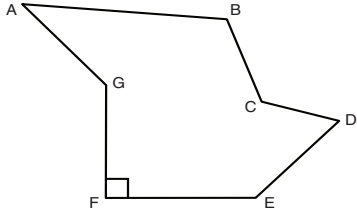

Some corrections were made to the Acadience Math materials as part of the editing process with our publisher Voyager Sopris Learning. Outlined below are the edits that may impact how a student answers a question or directly impact the answers on the teacher keys. The edits are organized by grade, measure, problem, and worksheet. Computation is indicated with “Comp” and Concepts and Applications with “C&A.” Benchmark worksheets are indicated with “BM” and progress monitoring is indicated with “PM.” Formatting, grammatical, and minor wording edits are not included in this list.
